### **PACIFICA LAW GROUP'S NICOLE DENAMUR EARNS "WELL ACCREDITED PROFESSIONAL" (WELL AP™) CREDENTIAL**

(Seattle, WA, August 2, 2016) – Attorney Nicole DeNamur of Pacifica Law Group has earned the WELL Accredited Professional (WELL AP™) credential through the International WELL Building Institute™ (IWBI™), placing her among a group of leading professionals who are dedicated to health and well-being in the built environment and specialization in the WELL Building Standard™ (WELL).

The WELL Building Standard is the first building standard to focus exclusively on the health and wellness of the people in buildings. WELL is an evidence and performance-based system for measuring, certifying and monitoring features that impact human health and well-being in the built environment, through air, water, nourishment, light, fitness, comfort and mind.

WELL APs have successfully passed the WELL AP exam, an assessment based on the expertise of leading practitioners in the field of design, health and wellness in the built environment. Developed using rigorous test development best practices of the Green Business Certification Inc. (GBCI), the WELL AP exam is designed to test a candidate's knowledge and proficiency in building wellness and the principles, practices and applications of the WELL Building Standard. The WELL AP Exam was launched in October 2015 and was complemented by a comprehensive educational program. The WELL Building Standard, and more information on the WELL AP, is available at [www.wellcertified.com](http://www.wellcertified.com).
